Reasons for Allowance

Drawings

New corrected drawings are required in this application because the application has been allowed. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Allowable Subject Matter

Claims 1-6 and 8-144 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose a racing game in which play is continued with another race provided that the player's racer has not been eliminated and the player has previously placed a wager on the another race.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Amendment

Art Unit: 3713
